WATER PROOF

300X450MM
Elevation Collection

All Designs Are Available
In Glossy & Matt Finish
VOL-2

The ceramic era inspired the idea of the Elevation collection, which combines visual complexity the quality of the "aged" ornamental and the linear severity of the geometric de-cows.

An exceedingly Natural look

As accents, the idea is to break the monotony of the solid colored walls with upholstery, furniture and decoration indigenous to this area.

we define *Luxury*
