Digital Wall Tiles  
VOL-5

*We Suggest a set  
of retro allusion  
based on worn-out,  
Moroccan design  
of geometric shapes  
and symbology able  
to fulfil any decorative  
styles.*

## *Ceramic Design Icon*

The Shade that comprise the glossy-series, thanks to their sobriety and naturalness, perfectly integrate with the contemporary style of home furnishing, the minute details that characterized the glossy collection are seen best in the three-dimensional structures decor: in the wall 3d, for example, built from small bush-hammered, honed and sand blasted pieces.

The wall caddle interprets an assemblage of tradition, which combins perfectly with the rest of the collection, thanks to its naturalness.

# *Color Meets Color Design, Style And Combination.*

Reinterpreting the classic, spirited, and the timeless pattern and more into contemporary surfaces of Wall Tiles. The all-new and distinctive collection fetches the artisanal expression of classic motifs but with the twist of modern articulation and pop of details.

The collection exhibits artisanal expression through design style encompassing the-time-honored carpet design, geometric-patterns, elegant motifs, heritage artistic-patterns, earthy designs inspired by Baroque architecture, Moroccan designs, and a lot more.
